INTARSIA - LESS 75%

Intarsia by Jim Kaufmann

The making of Intarsia is an arduous process. Small pieces of gem materials are inlaid together to form patterns or mosaics and set into a gemstone base. These works of art are one-of-a-kind pieces; no two are ever exactly the same. Our Intarsia pieces were crafted by Jim Kaufmann using only the best materials and precision to every detail. Each piece of Intarsia is signed and numbered by the artist.
